2010 sees Victoria hosting Australia's very first AusYPAA convention (Australian Young People in Alcoholics Anonymous), a national celebration of people young in sobriety.

AusYPAA was formed through the cooperation of the VicYPAA, NewYPAA and QYPAA committees, with Al-Anon and Alateen participation.

AusYPAA is all-inclusive, never exclusive, and open to all concerned with a drinking problem, irrespective of age or duration of sobriety, and so all members are warmly invited to attend this weekend of fun, fellowship and recovery.

Additional details can be found at our website www.ausypaa.org

"Life will take on new meaning. To watch people recover, to see them help others, to watch loneliness vanish, to see a fellowship grow up about you, to have a host of friends—this is an experience you must not miss. We know you will not want to miss it. Frequent contact with newcomers and with each other is the bright spot of our lives."
