Level 12, 300 Flinders St, Melbourne**

## VicYPAA is Alcoholics Anonymous in Action

VicYPAA stands for Victorian Young People in Alcoholics Anonymous. Each year since 1995 VicYPAA has hosted an annual convention round-up held in January. The convention round-up is organised by a committee of enthusiastic young people in AA as a celebration of recovery, unity and service. We are a group of young members active in service, working for the benefit of all AA. VicYPAA is all-inclusive, never exclusive or forbidding. It is open to all persons concerned with a drinking problem, irrespective of age.

**For all details & programme registration form please go to the website**
